

CustomInk's Special Care Instructions

Your custom shirts are special, imprinted with your one-of-a-kind design. Keep them looking great wash after wash.

Turn shirt inside-out. Machine wash cold. Use gentle cycle unless heavily soiled.

Do not iron printed or embroidered areas.

To prevent shrinkage and maintain vibrancy, tumble dry on low heat setting.

Do not dryclean (not that you would...)

Lay flat and drip dry for supreme preservation and a long life.

Love unconditionally and wear it like you mean it!
